

ADVENT Corporate Prayers

- Pray that we would have an unexplainable ability to meet all the needs that come to us in order that we may fulfill the scripture in Acts 4, *"there were no needy persons among them."*
- Pray that we would have wisdom, discernment, and willing volunteers as we consider the possibility of organizing a community-wide GED tutoring program through the church.
- Pray that we would have the resources to meet transportation needs in shuttling people to corporate meetings and church activities.
- Pray that full teams of deacons would be raised up to oversee the needs of widows, single moms, elderly and shut-ins, immigrants, and our missionaries.
- Pray that \$60,000 would be received in the Community Compassion Offering so that benevolence needs in the community and our church can be adequately met in 2012.
- Pray that those new to the church and those established in the church will find genuine community and relationships through small groups.
- Pray that we will receive direction in both the "how" and the "when" for expanding our physical facilities.
- Pray for the ministry of Love, INC.
- Pray for our missionaries:
 - Rem and Val Moll
 - Anne Beshears
 - Phil, Debbie & Tully Douce
